TOP GUISE SHOWDOWN COMES TO DOWNTOWN

TOPCON GEEK EXPO Announced today that they would be hosting the TOP GUISE SHOWDOWN; a first of it's kind, for Topeka, extreme make-up competition based on the popular SyFy Television Series, "Face Off".

TOP GUISE SHOWDOWN was conceived by TOPCON GEEK EXPO Creator, The GYPSY as a way to showcase, present and honor the areas best Make-Up Artists. "There is no doubt that this is a true American Art Form that, though not in it's infancy, is in a period of new growth." The GYPSY went on to add, "By exploring the regions most talented and gifted artists we open the door and inspire new artists to continue that growth and bring forth new inovations in Make-Up Artistry."

The announcement of The TOP GUISE SHOWDOWN is a prelude to another announcement that will affect TOPCON GEEK EXPO 2015. When questioned about this upcoming news The GYPSY had this to say, "TOP GUISE SHOWDOWN is a direct tie in to a very special Guest we will be having at TOPCON. This is a huge announcement and the first people that will hear who that Guest is will be those in attendance at TOP GUISE."

TOP GUISE SHOWDOWN is scheduled for June 6, 2015 at the QUINCY STREET Conference & Event CENTER in Beautiful Downtown Topeka. The TOPCON TEAM has a full schedule of events for that day from the Make-Up Competition to Make-Up Seminars to Retro Video & Board Gaming to a Game Tournament.
